RE: LOT (S) \_\_\_\_\_, BLOCK \_\_\_\_\_, DL \_\_\_\_\_, PLAN \_\_\_\_\_ ARABLE ACRES \_\_\_\_\_  
LOT SIZE \_\_\_\_\_

WHEREAS, CLAUSE 6,(1b),iv,v,&vi, Bylaw #233, restricts the water flow on the subject property to \_\_\_\_\_GPM

And WHEREAS, due to the following described circumstances: (brief description)

---

---

Domestic purpose water, used for the irrigation of gardens and lawns, at a flow rate of \_\_\_\_\_ is required.

Upon approval of this application, the following provisions must be complied with:

- 1) A plan of the irrigation system to be installed must accompany this application.
- 2) The increase must not exceed the approved rate; it is recommended that the increase be kept to a minimum.
- 3) Watering of lawns and gardens will be restricted to the hours of: **12 AM to 6 AM ONLY.**
- 4) The system must be controlled by an automatic timer, and a DOLE VALVE must be installed to control the rate of flow.
- 5) A **DUAL CHECK** backflow preventer must be installed.

The KALEDEN IRRIGATION DISTRICT reserves the right to shut off the supply of water to the land, and immediately cancel the application, on 24 hours written notice, for reason of failure to comply with the above provisions, or abuse of irrigation procedures by the applicant. Under no circumstances may fertilizer be applied through an underground irrigation system. A re-connect fee shall be applicable for re-instatement of the water supply, in the event water is shut off for non-compliance.

NOTE: If extra water is required for new plantings or hand fertilizing, please notify our office.

This application may also be cancelled in the event of a water shortage.
