2019 Rates

- **The trustees have authorized a 2% increase to KID domestic water rates for 2019.**
- **Domestic rate up to $\frac{1}{4}$ acre - \$471.30**
- **Agricultural Rate - \$193.60 per acre**
- **The Interior Health Authority levy for 2019 has been increased to \$134.50 from \$59.50.**

2025 Planning

- **Larratt Aquatic Consulting report will be complete this summer. This study is to provide data for KID to apply for filtration exclusion.**
- **Once we are provided with filtration exclusion we can proceed with planning on the UV plant.**
- **The UV plant must be completed by 2025 as per our licensing requirements from IHA.**
- **The current levy that is in place will rise to build the funds towards building this UV plant.**

2025 Planning cont.

- **2019 - \$134.50 2020 - \$144.50 2021 - \$154.50
2022 - \$164.50 2023 - \$174.50 2024 - \$184.50
2025 - \$194.50**
- **We expect the funds raised through the levy will be approximately 50% of the funds required.**
- **The remaining funds would be borrowed unless the Federal and Provincial governments provide grant money. (KID is not eligible at the moment).**
- **Once plans are finalized and costs confirmed there will be a referendum to authorize borrowing the remainder of the money required.**

Politics

- **We are attempting to increase pressure on the politicians to change the legislation that excludes Irrigation Districts from accessing government funding/grants (recent Skaha Matters article, letter(s) sent to key ministers).**
- **Please take time and ask your MP and MLA why as a taxpayer we are supporting infrastructure grants in municipalities, but we are ineligible? Discrimination.**

KID Emergencies

- **Please call the emergency number provided on our web site, on our answering machine and on the numbers provided at the office.**
- **Do not complain on social media. We do not monitor it!**
- **DO NOT CALL 911! Yes we have had those calls...**

Assessment Roll Review

- **The Board with Staff is conducting the review of the assessment roll. This is taking time as we must determine the correct taxes vs tolls to ensure there are no financial shortfalls to the**

Old Dump Property

- **KID has donated the old dump property at the top of Dogwood to KVFD for fire training grounds.**
